This issue is a double one, giving us all a chance to breathe in, and relax, over the summer.

There's a fair bit of reflection on the Queen's Platinum Jubilee celebrations in this issue — so do enjoy seeing and reading what others have done to celebrate this once-in-a-lifetime event.

We hope you also enjoy reading the reflections of others — see Elizabeth's on the opposite page, and Kyle's longer reflections on page 10.

Our apologies if we haven't fitted in everyone's contribution to the magazine, or haven't been active enough in chasing people

for their contributions— at present the team that puts *The Link* together still feels stretched and in need of others to join us in making *The Link* happen. If you're reflecting on things over the summer and think that could be you — do get in touch by email with us.

We hope the summer gives you a chance to engage with local activities (the Greenholme show, featured on the front cover, was one such example) and enjoy building relationships with friends and neighbours, as well as (maybe) taking a break from the busyness of life.

Reflections on the Platinum Jubilee celebrations

The four day Bank Holiday Jubilee Celebrations!

We were all ready with our flags and bunting, eagerly anticipating the four big ceremonials...

Thursday - Trooping the Colour – what a spectacle – the boots you could see your face in, the horses all groomed to perfection BUT not always behaving. The outrider to the first carriage – the horse plainly did not want to go & the rider worked very hard to bring the horse under control. Who could not be heartened to see the Cambridge children in that first carriage waving to the crowds. The Life Guards riding down the mall – some horses not performing well. Trooping the Colour almost went off perfectly but how many saw the riderless horse come round the last corner? Good job the Queen was not there. The balcony with the Queen & working royals & Prince Louis stealing the limelight with his antics when the red arrows flew overhead. In the evening when the Queen pressed the sphere to begin the lighting of the bonfires – wonderful to see the column of light snaking towards Buckingham Palace.

We had a family picnic outside the summer house at the top of the garth & lit our own small beacon – it blazed fine until the downpour of rain.

Friday – What a lovely service. The Archbishop of York's sermon (only 3 days to write it). It was a magnificent sermon and so topical with his references to the Queen. I noticed in the singing of the National Anthem everyone was singing lustily.

The family went to see the horse parade in Orton and then to church to look at the exhibition which even impressed my 13 year old great niece!

Saturday – What a charming thought for the Cambridges to take some home made cup cakes with them to Cardiff to distribute to the

technicians setting up their evening concert. The evening concert - what a good sport the Queen is – now we know what she carries in her handbag! - even her family did not know about the sketch with Paddington.

The concert was excellent – just 3 performers I did not recognize – but a very good entertainment.

Sunday – a very good piece of entertainment, covering the decades with the open top buses & the personalities from that decade waving to the crowds. Very enjoyable to watch & then seeing the Queen again with the next 3 generations of kings on the balcony.

This has been a spectacle and celebration that will never happen again in our life time – I just hope the younger generation remembers it (when watching the TV with the family it was like teaching a history lesson of who is who etc!).

To end the weekend my sister went with Jan to Beetham nurseries to collect the tree we had won in a competition Beetham sent us an e-mail inviting us to enter to win a jubilee tree. (only 10 available). Jan wrote about our conservation – already planted nearly 300 trees & why we thought it important to plant trees & cultivate wild flowers. She also said what we were doing with the family for the jubilee. The tree is a 4' rowan which we will plant in the autumn. Jan has to register it in September as part of the Queen's Jubilee Canopy.

Parish History Group Exhibition

For three afternoons over the Platinum Jubilee weekend, Ravenstonedale Parish History Group held an exhibition of photographs and reminiscences about previous Parish celebrations from the Golden Jubilee of Queen Victoria in 1887 onwards, using prints of digitised material from the History Group Parish archives.

The archive room upstairs in Ravenstonedale Community and Heritage Centre in Ravenstonedale village was also open. RPHG would like to thank all the visitors who donated £120 towards the upkeep of the archive, which will be spent on archive-standard storage boxes for vulnerable paper items such as scrapbooks and maps.

On the Friday and Saturday afternoons a Jubilee Tea Party was held downstairs in RCHC in aid of the ongoing refurbishment of the building, and photographs of this event – and others in the Parish - have already found a place in the new Platinum Jubilee section of the archive!

You turn 5 today
Bouncing around my hips
Growing another inch taller
When my back is turned

Not long ago I marvelled
At your tiny perfect fingernails
At the miracle you were
Even here at all

I held you In each arm
Did the very best I could
To give you the very best of me
Through it all I lost myself

You turn 5 today
Sitting together watching TV
Squished to one another
In an imaginary womb

Full of noise and wonder
Two firecrackers stealing the sky
And the attention of those
Who behold them

Two halves of a whole
Two complete and perfect beings
Two parts of me
An Independent and dependent trilogy

You turn 5 today
Growing older and away
Though if every day you need me less
I will simply love you more

New exhibition at The Ruskin Museum

Ravenstonedale-based artist Caroline A. Metcalfe-Gibson turns her attention to the rural architecture which surrounds us, but we often overlook.

Caroline says:

I love the old farmhouses, fieldhouses, limekilns, dropgates, becks and stone walls which still form much of the character of this area and I discovered in the medium of pen and ink drawing a particularly sympathetic way of expressing that delight. More recently through my teaching I have found that the freedom and flow of watercolour, and the sometimes unexpected results of mixed media are a stimulating contrast to the line work of the pen.

For this exhibition I have concentrated on the theme of Vernacular Architecture found between the Lakes, Dales and Pennines. I am interested in ordinary, working buildings found all over the rural parts of this area. These structures are evidence of how things were done in the past, and I am attracted by their variety. These buildings seem to grow out of the ground, they are quirky and full of character. I like to celebrate their seeming ordinariness, and enhance the buildings by painting them with interesting shadows, lighting effects and unusual perspectives.

The exhibition continues until 4th September. The Ruskin Museum is on Yewdale Road in Coniston village and is open daily 10am-4.30pm. Entry fees apply. www.ruskinmuseum.com

Raisbeck's Platinum Jubilee

Table & Seat

Earlier this year the residents of Raisbeck and Sunbiggin faced a dilemma – what long lasting memorial do you make for a Queen that has sat on the throne for 70 years ?

The Queens Silver Jubilee, some 45 years ago, had set a precedent in that a local farmer, Lance Wharton assisted by his son Lanty, erected a bench in Raisbeck which still stands today. Over the years, the seat has been well maintained by the local Joiner Norman Watson who is now the elder statesman of the community and it was felt something that lasted into perpetuity would be more befitting.

Resident Roger Frank, together with an older Lanty, came up with the concept of a stone table and seats. Engineered and constructed by the pair adjacent to the Dame's School in the centre of Raisbeck, the rustic outcome should last for many decades if not centuries with minimal maintenance requirements.

The table has already proved to be very popular with the numerous passing cyclists and walkers.

Special thanks go to The High Sheriff Alan McViety for presiding over the opening and Eden District Council and Orton Parish Council for their financial support.

Orton Church Exhibition

After an enforced 2 year break, it was a very good that this year we were able to begin the "return to normality" & let loose the "creative talents" in our community, so that yet again the Church building was transformed & was a delight to behold for 9 days.

The Scarecrow Tea Party & Jubilant 50s was certainly an obvious choice for this year. As people entered the building, the stewards who were on duty at the door, often saw visitors stand "open mouthed" as they looked & saw the displays.

People came from far & wide to enjoy scarecrows in the village & to enjoy everything in church. We are sure that they all went away very impressed & also very well fed. One couple from Cockermouth left a note on the door to say how much they appreciated it all, sadly it has been lost or we would have quoted from it.

The total figure raised from all the hard work was £6,855 so well done to everyone.

It all took place along with the special JUBILEE celebrations in the village so we hope that all villagers enjoyed the whole event & will all have some special memories of our Queen's PLATINUM Jubilee.

We need to say a very big thank you to all who helped to bring the Exhibition to life, we really do appreciate all your talents & all the hard work which went into the event. We also want to thank everyone who baked cakes, all who served refreshments, all washers up, stewards, cleaners & anyone else who helped in any way what so ever. Your contribution is valued & appreciated. Also, we need to say a big thank you to all the "Scarecrow makers" in the village, your contribution is very much appreciated. Your creations are a vital part of the whole event & help to bring a lot of people into the village & make it all such a successful time for our community.

FARMERS' MARKET

Reflections on Jubilee

As people began to drift away from the street picnic and the community choir and Appleby brass band packed away their instruments it was suddenly apparent that after four days the Jubilee was over. There were no more events.

Orton had continued something I remembered from 1977 - of squeezing every last drop out of a jubilee. I know that they must have taken these celebrations seriously in Victorian times because after all there was a fine stone Celtic cross on the Scar paid for by the parishioners of Orton and Crosby Ravensworth pledging their loyalty to the Queen and Empress, Victoria. Teddy Relph a historian living in Crosby let me have newspaper cuttings relating to the monument and how Colonel Burns from Orton Hall built a huge Beacon on the Scar with numerous horses and carts bringing the wood from Crosby and Orton. It also shamed those celebrating the jubilee of George V for building the beacon too close to the monument and damaging the stonework together with melting the lead inscription.

Planning for our celebration of Orton's Jubilee started a couple of months before the event and included a broad cross-section of the community who proved to be enthusiastic, competent and above all willing. First was chosen the town crier Neville from the village shop who volunteered and very much looked the part. Whether anyone could understand his slight Midlands lilt didn't seem to matter.

Neville kicked off proceedings at the appointed time 2 pm on 2 June with huge aplomb, reading the Royal proclamation to a good crowd in the village Square. Only Jane knew how nervous he had been and rewarded him with a massive embrace. The afternoon was only a small foretaste of the evening's

events when an enormous crowd gathered for the Royal toast and proclamation. These were preceded by an exceptionally fine peel of the Church bells by the Orton bell ringers and a piper played *Diu Regnare* (Long to reign).

The numbers rather overwhelmed the provisions made for the loyal toast which at least ensured no one had too much to drink before making their way by foot or car up to the Beacon. Finally our luck ran out with the weather and we were lashed by storms. However between two and three hundred brave souls made their difficult way up the Scar to enjoy brief but intense Beacon heat. The intrepid Piper also made his way there in his full regalia and received appreciation from the crowd for some of his Highland jig playing. Events finished fairly rapidly with a short but memorable firework display and more intense rain. Most left happy but soaked.

Next day again in showers the cyclists met at the market hall to be briefed by the organiser of the cycle ride Felicity Lawler. It was an astonishingly mixed group with powerful lycra-clad males equipped with flash racing bikes and razor saddles to girls from farms with bikes they would use to cycle to the village shop. Much to everyone's surprise the group soon bonded and remained together throughout the entire 25-mile ride, the more seasoned cyclists encouraging those struggling on the hilly sections and patiently waiting. It was a lovely ride, thoughtfully prepared in order to visit every community in the parish. It took the group up the wilds of Bretherdale and eventually around Sunbiggin Tarn and back to the village where their arrival coincided with the equestrian gathering of local riders and horses. This was Friday afternoon's event.

Caroline Cummings had organised over 20 horses and riders beautifully attired to parade around the village. It was greeted by a large but respectful crowd who seemed to be aware that it was definitely not in their interests to spook these huge beasts possibly turning a parade into a stampede. It was incredibly impressive as the riders of all shapes and sizes took the superbly groomed creatures around the village a number of times; a sight perhaps never seen even when the horse was the main form of transport.

All horses and riders were incredibly well behaved and an event which our insurers are deemed very risky passed without incident which is more than can be said for the evening's event.

For those left within the energy Chris Bland hosted a ceilidh in the attractively decorated Market Hall. This popular event boasted a live band and Chris giving his patient tuition. However a loss of dancing control resulted in the Jubilee's only very minor accident. Otherwise this much-enjoyed event passed without incident.

The Saturday dawned bright clear and still. It remained like this for the entire day meaning that the family fun day on the School Playing Fields was a huge success and well attended. Lottie Dunning, Jo Hayward and Catherine Simpson put in a great deal of work and had persuaded Westmorland to donate meat for the barbecue. There were multiple events as the ever-popular bouncy castle (again an insurer's nightmare) proved incredibly popular. The duck race was saved by the rainfall which had affected the Beacon however it ensured the little things could swim past the field. It was a happy and enjoyable day and great credit is due to all who helped it happen.

And so to the final day Sunday, the 5th of June and the Big Street Picnic. Very boldly both Jackie Huck and Felicity Lawler had stepped forward to host this and they did a splendid job. Despite unpromising weather it was decided it should be outside in the Market Square but under the farmers' market tents. It was beautifully prepared and events were officially opened by Orton's celebrities Dave Morland and Rosie. The party goers were enchantingly entertained by the community choir and later the well-rehearsed Appleby town band and both were warmly thanked for their efforts. It is of great credit to the village that outside these planned Jubilee events much else went on. Firstly the village was superbly presented by a team who quietly and unassumingly went about their business putting up decorations. They just suddenly seem to appear and put everyone in the Jubilee spirit.

Secondly there was a scarecrow competition with approaching 50 entries. Not only was this one of the highest numbers ever but the standard was incredibly high combined with some clever ideas. Until you have made a scarecrow you will never know how much work goes into them. Well done to everyone who took part.

Lastly and perhaps most importantly was the principal focus of the entire Jubilee weekend, the Church Exhibition. This quite remarkable event merits an article in itself. The amount of work which this entails is quite awesome and the church exhibition team deserves a huge amount of credit and should be extremely proud of themselves. It attracts great numbers of visitors and although not breaking a record it is understood that the proceedings from the event were highly satisfactory; well done indeed. Our jubilee was a memorable event which brought people together and showed what the village is really capable of achieving. There was fun and friendship after a couple of difficult years and once again people enjoyed themselves. Many made a great effort to ensure this jubilee was such a success but at the end of the day it was an entire village effort. Well done everyone, like Colonel Burns who built the Victorian Beacon Monument on the Scar I'm extremely proud of today's Orton.

Orton Market Hall Awarded £40,000 National Lottery Community Fund Grant

We are delighted to announce that Orton Market Hall has been awarded a grant from the National Lottery. This is the culmination of 8 months' work.

This started last summer when we visited Warcop and Soulby Village Halls to get ideas for improvements to our hall. We then went about the process of getting quotes from joiners, decorators, builders and kitchen fitters. Once we had priced up the project in order to fund the improvement we applied to the National Lottery Community Fund.

We were supported by ACTION with communities from Cumbria and the National Lottery funding officer for the North East and Cumbria. They were able to advise on the information that needed putting together in order to secure a grant and supported us in the awarding panel meeting. The lottery grant bid included obtaining a lease for the hall from Orton Manor Court, undertaking a greening audit and preparing for an asbestos audit, preparing budgets, outlining our land and buildings project, updating our safeguarding policy and preparing an access plan.

The money from the project will be spent on two main projects. In the main hall we will insulate the hall before redecorating in light colours to make a bright meeting space. In the kitchen we will remove the old kitchen, increase the size of the serving hatch, insulate the room, redecorate and fit a modern catering kitchen. We will also install a new cleaning cupboard in the entrance hall. This is phase 1 of our plans, which have already started and we hope to complete towards the end of the summer. Phase 2 will be to install a new heating system, once we can calculate the efficiency of the new insulation. We will also install a new entrance in the supper room. It is very important to us to use local businesses to undertake the work, benefitting the local community.

Orton is well used by the local community by groups including Pilates, Yoga, Boccia, Orton Farmer's Market, Fell Pony Breeders Association, Orton Parish Council, Highlights and many more. There are 6 Orton Market Hall trustees and we are always interested in new people joining our committee. We are particularly looking for a new treasurer and a secretary.

If you would be interested in joining us please contact Helen Wearmouth at helen-wearmouth12@gmail.com

Orton Bus Shelter fit for a Queen.

The bus shelter was built to commemorate the Coronation of Queen Elizabeth II. Money to fund the building was raised by house-to-house collection in the parish. A pupil at Orton school Dorothy Atkinson opened the shelter, she travelled by Ribble bus with her siblings Mary, Raymond and Christine from their home at Blasterfield.

Over time the inside of the shelter was getting covered in graffiti. In early 2000 the late Patricia Brass who was raised and living in the village had the idea to involve the young people of the village in painting a mural inside the shelter, in the hope that it would prevent further damage. This was and has continued to be a perfect solution.

Sadly the mural had deteriorated and after discussion with the Parish Council and interested villagers it was decided that the mural should be restored to it's original design.

Helen Wearmouth and Sue Leach who live in the village volunteered to renovate the mural. Councillor David Potter replaced the windows and the outside has also been painted by several local people.

Helen Wearmouth & Sue Leach

This is wonderful way to mark the Queen's Jubilee in Orton and is a fitting tribute to Pat who always enjoyed being involved in village life. Although buses do not stop at the shelter now, donated second hand books are available for sale with the money helping different charities.

Melody Makers at Full Steam

Melody Makers Community Brass Band is steaming ahead with two exciting projects.

We have been awarded £2,000 from The Cumbria Community Fund to increase access to the arts and expand volunteering opportunities. We were delighted by a visit from High Sheriff Alan McViety to celebrate the award.

But Alan was in for more than he bargained for - as Melody Makers is band is also part of a Westmorland Dales project called Brass, Drums, and Trains. In the picture above, you can see the band working with composer Jilly Jarman of Blue Jam. We recorded exciting rhythms and sound effects which will be added to the final recording. The music will be available for all brass bands to use at the end of the project.

The band welcomes new players of all ages and meets weekly at the Tebay Methodist Church, from 4.15 - 5.15 pm.

Email julie@drumandbrass.co.uk for more details

Celebration Thanks!

On behalf of all the families in this community, may we congratulate and thank all who played a part in organising the various events over the four days of celebrations. You all did a splendid job — although the weather didn't make it easy, singing the National Anthem in the pouring rain, puddle in the sports field, and the wind blowing over the marquee, but what fun we had — from the youngest to the oldest. All went well in the end, memories of these days will be remembered for many years to come.

Thank you all for a great effort!

We would like to show our appreciation to Mrs Hall by inviting passed/present children, mums, grandparents, friends, family or work colleagues to afternoon tea at Tebay Primary School on **Thursday 21st July from 2:30pm until 4:30pm.**

Friends of Tebay School

Friends of Tebay School were asked to support the English Championship Fell Race at Lower Borrowdale on Saturday 21st May by providing cake for over 500 hungry runners, marshals and their families!

Huge thank you to everyone who donated cakes, biscuits and to those who gave up their time to help on the day, FOTS raised £800.00.

Friends of Tebay School are looking for new members to join the fundraising team. FOTS is a vital part of Tebay Primary School helping with the cost of trips, funding extra things for the classroom's as well as other things, which benefits every child in the school, without the financial support there would be significant charges to each family for the opportunities the children receive.

If anyone would like to join FOTS in any capacity, please speak to any FOTS member or Tracy in the school office.

Year 6 SATS

Well done to our Year 6 students who sat their SATS at the beginning of May, we are all very proud of how they coped with the papers.

Mrs Sharon Hall

After 26 years of dedication to Tebay Primary School, Mrs Sharon Hall is retiring at the end of the Summer term. To show our appreciation we will be having afternoon tea on Thursday 21st July from 2.30pm until 4.30pm.

If anyone would like to join us please contact the school (015396 24239 admin@tebay.cumbria.sch.uk).

If anyone would like to contribute to a leaving gift, please send your contribution to school by Friday 8th July.

Platinum Jubilee

Each child was presented with a commemorative Platinum Jubilee mug kindly funded by Friends of Tebay School, along with a PIN badge designed by a pupil from Cumbria Education Trust.

On Friday 27th May children came to school dressed in 'red, white and blue' and enjoyed a teddy bears picnic. Julia Capstick kindly made some scones and the children enjoyed them with jam and cream, they then decorated the school grounds ready for the village Jubilee celebration. The school won the children's category for the best dressed windows.

Platinum Jubilee Medals

Orton with Tebay Community First Responders would like to congratulate three members who have been awarded the Queen's Platinum Jubilee Medal for frontline service.

Steve Dunkinson, Menna Lewis and Kelvin James received the award for their continued service.

We would also like to thank Stewart Cheeseman and Lynn Sidall, active members, who just missed out on the medal which was for those serving longer than five years.

The team have been operating in the area for fifteen years now and regularly attend call outs within our villages to help those suffering with life threatening symptoms whilst waiting for ambulances.

Thank you to both communities
for their continued support
and fund raising for purchasing
and renewing equipment.

Young Farmers

Agriculture is something we cherish around Cumbria, as we all have a connection to it in some way, shape or form. Hector Meanwell informed us at Eden Valley Young Farmers that Orton's milk stand had been knocked down. After explaining what had happened, we were more than happy to help. This milk stand has been stood for decades and is a part of Orton's history. It amazed us how something most of us had never even noticed, meant so much to the villagers.

So, we young farmers hatched a plan:

Step 1. Have a site visit to assess the situation and discuss over a pint in the George

Step 2. Have another site inspection and discussion in the George

Step 3. Go and dismantle the remnants of the stand

Step 4. Rebuild the stone work

Final step. Lay the concrete on top

After waiting for the weather to give us a sunny window to put on our hard hats, we could wait no longer. Many local people expressed their gratitude for our efforts which was greatly appreciated, they said how nice it was to have it back the way it was meant to be, hopefully there to stay for years to come.

Chairman of Eden Valley Young Farmers

Putting the buzz back into Bowland's wildflower meadows

Nearly 40 hectares of hay meadows were regenerated in the Forest of Bowland last year thanks to Yorkshire Dales Millennium Trust through the

Meadow Makers project led by Plantlife.

This nation-wide project helped to increase biodiversity and provide a vital food resource for pollinators and other insects and saw 14 landowners come together to plant 11,000 plug plants in the Forest of Bowland alone.

It takes the area of hay meadow restoration work in the Forest of Bowland to more than 200 hectares over the last ten years, through numerous meadow restoration projects.

YDMT's Meadow Makers Project officer Carol Edmondson said: "The traditionally managed hay meadows in the UK have suffered a well-documented decline over the last 75 years. We have been working hard to replenish the wildflowers in the Forest of Bowland landscape to help reverse this trend.

"These meadows support countless species of invertebrates including Bumblebees, solitary bees, butterflies and spiders, with some species being mutually dependant such as globe flower and the Chistocheta flies.

"In turn these invertebrates feed many of our native and visiting mammals and birds which rely on our diverse meadows habitat, making them an internationally important habitat. "

The hill farms of the Forest of Bowland are some of the last bastions of traditional wildflower meadows in England.

This project was funded by Defra's Green Recovery Challenge Fund. The National Lottery Heritage Fund deliver the fund in partnership with Natural England, the Environment Agency and the Forestry Commission.

Jubilee Success for Melody Makers

Melody Makers community band was proud to open Alison Mott's Jubilee Concert at the Tebay Club on Monday May 23rd.

The Melody Makers performed part of an original piece which we have been working on this term. "Jubilee" is a rhythmic piece which starts with the drums, and gradually adds in the trombones and cornets. It pauses for a moment and then the trombones start a fanfare - "This is our Jubilee!". The band takes up the fanfare and finally our principle cornet plays "God Save the "Queen".

"Well, what can you say about our fantastic village and the people who live here and have supported our four days of fun, games and disco BBQ, all free and then finished off with a brilliant bring and share afternoon.

The committee who got together and organised everything and all the helpers deserve the biggest pat on the back and thankyou, it was good to see locals giving their support after all your hard work."

Congratulations to all in Tebay who organised and participated, and made it such a great celebration.

At the concert - expertly organised by Alison, whose choir elevated the evening to new heights - we were so proud when the audience joined in with the national anthem.

Those with sharp eyes may even have spotted Her Royal Highness popping in at the back for a quick wave!

We followed up with a classic tune "All Through the Night" - (pictured above) - which we performed with Pam Lawson's Tebay Kid's Choi, who had written brand new words to celebrate the Jubilee.

This was the first ever performance by some members of the Melody Makers and they did the band proud. 5 players will receive "Performance Level 1" badges and 3 have achieved "Music Reading level 2". These badges are part of our player progression system. They prepare young musicians for the thrills and skills of playing with others.

Fancy coming along to Melody Makers? We welcome new players of all ages and meet weekly at the Tebay Methodist Church, 1 Woodend Cottages, Tebay, Penrith CA10 3XB from 4.15 - 5.15 pm.

Herald

Notes from the Herald, July 1922

Wet first half then fine and warm.

Orton's Wesleyan Choir presented Mr. John Pallister, one of their number, with a silver teapot for his forthcoming marriage at a social on 29th June; supper for 30 after and games in the barn.

Died at Eller Howe, Arnside on 22nd, Ruth, 3rd daughter of the late John Charnley, Gaisgill, aged 66.

Tebay. The R.D.C. heard that Roundthwaite Ford needs a bridge. Many use it, e.g. an old lady of 80 who has to paddle. It is often impassable in spates. "Well" said R.D.C. "Yes, but it will cost £300. Will the users subscribe a bit?" (£300 then equals £24,000 now). R.D.C. to sound out Orton, Tebay and West Ward Councils.

Notice W.J. Wharton and Son, produce merchants, Tebay, have now moved to Eamont Bridge. Their warehouses are at Tebay, Kirkby Stephen and Eamont Bridge. They attend the local markets, e.g. Tebay on Wednesdays. New address: Eamont Lodge.

Should Tebay's bobby be given a motor-bike? Co. Cllr. Col Turnbull asks "Why? He could walk to Orton. It's only three miles". Westmorland's bobbies have bicycles.

Ravenstonedale Fell End Wesleyan Sunday School Anniversary on Sunday, 2nd. Wet but a lot there for service and pupils' concert.

Died at Crosby Ravensworth on 28th, Thomas Thompson ex Ravenstonedale. He was 73. He was buried at Ravenstonedale on 31st.

WhatsApp messages and emails received

From Rev Nelson Walina, vicar of All Saints Pro-cathedral Church, Kasese

24th May: Thanks for your prayers, besides Church Land Loan Repayments, we have managed to procure a tax rebate for the Expectant Mother's Ministry. It helps for transportation of the women in labour, to &from maternity ward, and to treatments where necessary. We are looking forward to purchasing the Vehicle for the Parish by the end of this year if resources allows. But you keep praying for our programs!

31st May: That is my granddaughter Collette, baby daughter to my daughter Kabughu Jennifer. She can now walk by herself. Thanks for your prayers & support.

5th June: Take intensive prayers upon our family because my sister-in-law is very sick, admitted to St. Mark hospital, Kasese. She has been sick for three weeks. And our hospitals in Uganda are expensive, in terms of medical bills. As I write now, Melina is in hospital taking care of the patient. Am at home alone.

7th June: Thanks for your Prayers; my sister in law has been discharged today from hospital. She is at my home, she still needs a lot of care, food securities, protection, so that she gets stronger.

8th June: Melina and I are so grateful to receive a gift from you to relieve us from too much expenses treatment, and feeding and foodstuffs.

From Rev. Robert Zziwa

3rd June: Rev. Robert Zziwa attending to confirmation class at Kamaiba Primary school.

12th June: That is Mount Muhabura in Kisoro district in the southern part of Uganda. I have gone there accompanying members of our Cathedral church who lost their mother for burial today.

Ukraine

Close the curtains, shut them fast
on this battered night that must not last
screams of terror, loss, the jeopardy,
as all that matters dangles dangerously
Buildings sway, flap, hang, plummet down,
as hate is all suffocates and harms.

Close the curtains on this loathsome night
where they break, blow-up, seek to stifle fight.

Close the curtains on this awful night
lest they sense our presence and unleash their might.
Close that iron curtain on the shattered hills of stone
that yesterday were beloved homes.

Open the curtain on this sickening world
where they break, beat, bury and burn
Universities where student dream and yearn
and the hallowed places where children learn
Open the curtains as the searchlights reveal
the extent of the madness, tyranny and greed.

'Close the curtain of the sky' they cry in vain
so the bombs can't fall their fearsome rain
But the whole world trembles,
fears extinction, this costly fall,
Do they have to die to save us all?

Covid Vaccinations update

We are no longer giving first vaccines here at the Surgery. We have now attempted to contact all patients who are due their second vaccines. If anyone feels they may have been missed then they need to contact us urgently.

The following information is on our website:

COVID vaccination certification

We are unable to issue this certificate at the practice. Please see the [Gov.uk website](https://www.gov.uk) for further information. Proof of your vaccination status will be available on the **NHS app**, which is also valuable for accessing your health records and ordering repeat prescriptions. Alternatively, you can call the NHS helpline on 119 and ask for a letter to be posted to you. This must be at least 5 days after you've completed your course of the vaccine, the letter may take up to 5 days to reach you.

Shingles vaccination

Patients become eligible for routine vaccination against shingles when they become 70 years of age and all those aged up to and including 79 years are now eligible to receive the vaccine until they become 80 years of age. Individuals who were eligible for the Shingles vaccination programme who turned 80 years during the COVID-19 pandemic and missed the opportunity to be vaccinated, either due to lockdown or because they were shielding at home and unable to attend their general practice, can continue to be vaccinated up to 31st July 2021.

Please contact the Surgery to book an appointment.

Seasonal flu/Covid booster vaccination information:

This year the Practice will be contacting all eligible patients for their flu vaccination and likely Covid booster to be given at the same time. Patients will be contacted in eligibility order and given an appointment time. Please can we ask patients to **wait for the Practice to contact them** as we are still awaiting information regarding the Covid vaccine boosters.

Orton Surgery and Shap Medical Practice

Current Procedures

The Doctors and Nurses at the Practice continue to operate an initial telephone triage system. If a face to face consultation is necessary the Doctor or Nurse will book you an appointment at Shap later that day. Please contact the surgery at 8.30am to arrange a telephone triage appointment. Surgery appointments remain being kept to a minimum to reduce the risk of infection to our patients and staff. Please do not attend the surgery without an appointment and please check the NHS111 website if you are unwell with coronavirus symptoms. When attending an appointment at the Practice, face masks must be worn at all times within the building, unless you are exempt due to medical reasons. Hand sanitisers are placed throughout the building and we request all patients to use these.

Online Consultation

We still offer online consultations using the eConsult. Please see the website www.shapmedicalpractice.co.uk to find out more about this.

Orton Surgery

There continues to be no Doctor appointments at Orton Surgery for the time being. Medication is available for collection every Tuesday between 10am and 11am.

Dispensary

Shap medication is now being collected from inside the main foyer of the Practice.

COVID Vaccinations Update

We continue to offer COVID vaccinations at the Practice. Please contact us if you are due your booster.

Staffing Updates

Dr Chris Kehoe left the Practice in the summer and is now working as a Locum GP and as a salaried GP at CHOC where some of you may meet her if you need to see a doctor out of hours. We welcomed Dr Hannah Judson at the Practice as a GP Partner in September. She has already become a highly valued member of the team. She came to us from Appleby Medical Practice and is a qualified GP trainer. We are hoping to start training GPs as well as medical students later this year. Our Practice Manager Sue Graham retired in March 2021 and Wendy Hancock has since taken the role of overseeing and developing the Practice. Wendy previously worked within the Clinical Governance and Safeguarding teams at CHOC and NWS. We are also very pleased to announce the return, and promotion, of Eleanor. Eleanor returned from her maternity leave in January and takes on the new role of Reception Manager.

All of the staff at the practice would like to say thanks to our local communities for the support and encouragement we have received through what continues to be a very difficult time for the health service. The kind words that we receive do make a difference to us and are very much appreciated.
