November 2022

The Link

Published by the churches and communities in Newbiggin-on-Lune, Ravenstonedale, Orton & Tebay

The Link is put together by a group of willing volunteers in our villages, drawing on contributions from across our villages. It is funded by a mix of personal subscription, business advertising and underwritten by the local churches.

We still need help — do think about volunteering if you can. Email us or use the QR code below to tell us how you might help. If you're not sure, we can find you a job!

We weren't sure how to tell you we need help...

...we've been saying that since we took over the magazine a year ago, but the reality is now, that if we don't find others to help, The Link magazine will stop being produced after the double December / January issue.

Apart from encouragement (which is kind of you, thank you) we've not had any concrete offers of help.

We would like to keep The Link going — and we think a good number of you do too.

What we need, in order to keep going is one or two people who can volunteer their time and skill to help put the magazine together on a computer.

We will give training, and support, and we're not going to walk away when someone volunteers, we'll be working alongside you, but just to be clear — if we don't get anyone stepping forward, we will have to step back, and The Link will stop being produced at that point.

Chris Jenkin, the previous editor, who produced 100 issues over

ten years, used to take about a week to put The Link together (and as a retiree, that was possible).

Even working as quickly as we can, The Link still takes about a day and a half to put together, and as some of you will have noticed, gets less care and attention than it deserves. That might not sound like a lot, but alongside a full time job and committed weekends, it means that it's often being produced late at night, rather too hastily.

So — just to remind you — unless you help us find one or two people, or volunteer yourself, we will — reluctantly — have to close the magazine after the next double issue.

If you're stirred to help, or connect someone else who can help — contact Martin on:

Newbiggin-on-lune Chapel Harvest Festival weekend

A good weekend started off with a ceilidh on Saturday night led by Chris Bland, with all ages joining in with the dancing, a bring and share supper and Wilfred Capstick sharing God's word.

Celebrations continued on Sunday morning which was taken by John Fox of Quernmore, speaking on Elijah and his total reliance on God, followed with lunch. John again took our evening service and continued on Elijah and planting seeds.

An enjoyable weekend but most importantly a time of blessing and a time of challenge through the scripture. Food items donated to chapel will be given to the local food bank and also a sum of £228.50 was gifted over the weekend which will be donated to charity.

A panoramic 12 month journey along **Hadrian's Wall**

Maurice Steele, drove for two hours from the Western lakes to Ravenstonedale to present his film to the October meeting of the Ravenstonedale Parish History Group (RPHG), 'Walking through history, Hadrian's Wall from Wallsend to Bowness-on-Solway'. Over 30 RPHG members and guests demonstrated their appreciation of his journeys, both his journey on Wednesday to Ravenstonedale and the twelve month journey he took to gather the visual material that became his very entertaining film.

The film documented the route along the Hadrian's Wall National Trail which follows the line of the Hadrian's Wall UNESCO World Heritage Site, passing through some of the most beautiful parts of England – from rolling fields and rugged borderlands to the vibrant cities of Newcastle and Carlisle – with dozens of sights of historical interest along the route. Using still photography, painstakingly edited into many transitions, with a soundtrack, the film was a picturesque and thoroughly entertaining presentation.

As the photographs were collected over twelve months, the seasons came alive with vibrant spring flower, snowy scenes and the warmth of summer illustrating the highlights of the walk, along with interesting deep dives into historical stories, related to the Roman and other centres of interest encountered when travelling from East to West.

In addition to professionally rendered voiceovers, the soundtrack featured good use of various musical clips. These included background instrumentals as the route traversed each season and longer complete musical contributions pertinent to sights visited and explained in more depth, including the **Blaydon Races** and the folk song 'Flowers of the Forest' which perfectly supported a remembrance day scene.

The many scenes of interest celebrated in the film included an early stop on the route which introduced the history of Vickers Armstrong, formed when Vickers merged with the Tyneside based engineering company of Armstrong Whitworth founded by William Armstrong to become Vickers-Armstrong. Armstrong Whitworth and Vickers had developed along similar lines, expanding into various military sectors and produced a whole suite of military products. Armstrong Whitworth were notable for their artillery manufacture at Elswick and shipbuilding at a yard at High Walker on the River Tyne.

Further on, Stephenson, forever associated with the global phenomenon of railway transportation, who was illiterate up to the age of 18, and self-educated himself to enable his engineering career. His birthplace at Wylam can be visited on the trail. Other

notable lives documented in the film included John Clayton. John was part of a wealthy family, however he also worked hard to increase his fortunes and land-holdings. When he died, his nephew Nathaniel George Clayton inherited around 20,000 acres of land and £713,522 0s.2d, of £42,732,833.08 in modern money!

Luckily for future generations of archaeologists and visitors to Hadrian's Wall, John Clayton used a portion of his wealth to purchase land which contained Hadrian's Wall and its forts, milecastles and turrets. His objective was to preserve the wall for future generations, a legacy enjoyed by those who walk the trail today. Edward 1st, who died in 1307, is commemorated with a modern sculpture at Burgh-by Sands, on the final stretch of the Hadrian's Wall trail.

Of interest for readers of the Herald, is that Cumbria, specifically the part of the county served by the paper is home to the longest visible stretch of Hadrian's Wall. Views of the wall was a key feature of the film as the journey continued from the Cumbrian border to Carlisle and then on long straight lanes and roads to Bowness-on-Solway, the end of the trail. In November (16th November, 7.30PM, Newbiggin-on-Lune Village Hall) RPHG welcomes back regular speaker and member Diana Fothergill. Diana is presenting 'The South Durham & Lancashire Union Railway, and some side tracks'. For more information please go to www.ravenstonedalehistory.org.uk

UNITED SERVICE IN THE SHOW MARQUEE

What a difference a day makes !!

24 hours previous the Marquee was filled with amazing exhibits contributed by incredibly gifted people both young and older.

Now music was in the air as worshipers from Newbiggin, Ravenstonedale and further afield sang hymns old and new, ably led by the Worship Band.

Invited guests Paul and Ruth Curwin then captivated all present by balloon artistry as Paul brought from his mystery boxes all shapes and sizes of balloons to illustrate the gospel message of God's free gift and the prize that we have in accepting it

Such a fitting climax to the Show Weekend, many thanks to everyone!

ORTON HARVEST SUPPER - WHAT A BLESSING!

When we arrived at The Orton Market Hall all was ready for 'The Feast'. The Hall newly decorated looked pristine and tables laid ready and waiting. Then suddenly everyone began to arrive.

The Village was back, friends and neighbours greeting each other after two years absence — It was great to see and hear.

The meal began with grace from the Reverend Sandra Ward and then Chris Bland took over and organised the tables to come up for food in the correct order. There were no riots or queue jumping! The food was delicious and the company great.

A big thank you to all those who worked so hard cooking, organising and helping plus thank you to The Westmorland Services for the Harvest Ham.

It was lovely to be back!

Carol Service Choir

We are starting once more to plan for the Carols by Candlelight service in All Saints' Church, Orton, on Sunday 18th September at 6.30 p.m.

We usually are able to muster over 20 singers to sing in the choir, and emails have already gone out to those who have joined us in previous years.

But we would like more! If you would like to take part, and can come to some practices in November and early December, please get in touch. All ages welcome! Those singing soprano (or boys singing treble!) can probably just learn the tune, but for those singing the Alto, tenor or bass parts it is of course helpful if you can read music a bit.

As well as leading the congregation in the traditional carols, we will probably have two or three choir items.

Also **Carol Choir for December Farmers' Market Coffee Morning** in church, Saturday 10th December: musical expertise less necessary!

If you would like to take part in either or both of these events, please contact Christopher Jenkin:

Orton Christmas Tree Festival

We have had quite a number of responses from businesses, groups and individuals who want to take part in Orton Church Christmas Tree Festival, by decorating a tree to be displayed in church over the Christmas period. But we still have room for some more – so further responses will be welcome!

We invite local businesses and community groups to supply and decorate a Christmas tree which will be on display in church for the Christmas period – in time for the December Farmers' Market and Coffee Morning in Church. We hope that good publicity will encourage visitors at this time to view the trees.

The trees can be artificial or real and no more than five feet tall, (we do have a few spare trees – on a first come, first served basis). You would decorate your tree to represent your business or group and be allocated a space in church.

It would preferably be with lights to enhance the tree, and we would ask for a donation of at least £5 to help pay for the extra usage of electricity.

Each tree is to have a label saying which business / group it belongs to. This is NOT a competition, just a different way to celebrate Christmas!

Are we ever going to get a new Vicar?

This is a question I have been asked several times since our last incumbent left us, and the answer is we hope so! But, (there is always a 'but' isn't there?) we need to look at the various difficulties that we find ourselves in.

In the Appleby Deanery, which covers an area from Milburn to Mallerstang and Shap to Stainmore, and of which we are a part, there have been - up to now – four benefices (a benefice is a group of churches working together and sharing one Vicar) All the Anglican churches within the circulation of The Link have been part of the High Westmorland Benefice which comprises Ravenstonedale with Newbiggin-on-Lune, Orton with Tebay, Shap with Swindale and Bampton – actually five church buildings and, since Rev Alun Hurd retired, with one unpaid clergy person and various other retired clergy and readers and lay people who try to keep things going.

The Anglican churches of the Appleby Deanery, who all contribute to the shared costs of the deanery, including its clergy, cannot contribute enough money to pay for a clergyperson for each of the four benefices so the decision has been made to make these four into three benefices with Shap and Bampton joining the northern benefice and Ravenstonedale, and Orton with Tebay joining the Kirkby Stephen benefice. This will mean that the deanery will be able to employ three clergy to look after the three benefices. Even with three clergy, the deanery will only meet 80% of the cost, and the diocese will be contributing the remaining 20% of the cost of these posts.

Within our benefice church wardens and others have been making preparations and agreeing advertisements encouraging applications from Clergy to come to this new benefice – as yet not named. We hope that interviews will take place before the end of November, which will be carried out by Bishop James, Archdeacon Stuart Fife and representatives from each parish, with a view to an appointment being made soon after

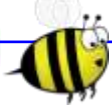

Many people think that the national Church of England, or the Church Commissioners, have lots of money - they do, but much of it is spent on clergy pensions and supporting mission and ministry in the dioceses. Carlisle diocese, of which we're a part, has benefited from this over the last several years (our Bishops are paid for by the national church, for example). Our local clergy are paid for by the local churches, with some support from the diocese.

So watch this space to see developments but most importantly please be praying that the right person is appointed to each of the three benefices in our Deanery.

Whatever is
Orton Manor Court?

Orton Manor Court goes right back to the days of the Lord of the Manor in 1154 A.D. There were Manors of Raisbeck and Orton, and originally virtually everyone was a tenant of one of the Lords of the Manor. But in the 1600s the tenants bought their freehold, but there were still rents due to the Lord of the Manor, and it was the Manor Court that administered such things.

What about the 21st Century? For many years Orton Manor Court and its Manorial rights have been vested in all the freeholders of Orton and Raisbeck. The Manor Court still owns quite a number of bits of land – both grazing land which is let to local farmers every year, and also land such as the wide verges even within the village – the writer of this note has to pay £25 p.a. to drive his car over the verge outside his house! The rental money is used for various projects around the area – e.g. a few years ago the almost derelict but very historic little Dame School in Raisbeck was restored and display boards installed.

The Manor Court has also placed benches in and around the village, and various other projects have been paid for by such rental income.

Every freeholder in Orton and Raisbeck is automatically a member of Orton Manor Court! So if you own your house, you are a member, and have the right to attend meetings and vote to elect the Committee every three years, and this Committee is responsible for administering these parcels of land and rental income, and various other local matters. You may even like to stand for election yourself, and play a part in your local community in this way! We are always on the lookout for new members. The Committee usually meets about three times a year.

General Meeting:

The next General Meeting of Orton Manor Court is on
Thursday 24th November at 7.30 p.m.
in Orton Market Hall.

Every freeholder is invited to attend and has the right to vote; non-freeholders may attend but cannot vote. This is – because of Covid – the first General Meeting since September 2019, so is a very important “catch-up” one. In addition, a major item of business will be an amendment to the Constitution – the Committee will have discussed this at their October meeting.

SO PLEASE COME!

Orton Market Hall Refurbishment Update

Since May we have made a number of changes to the Market Hall these include:

- Insulating the kitchen and main hall
- Plastering and redecorating the main hall
- Redecorating the kitchen
- Installing blinds in the main hall
- Installing a new cleaning cupboard
- Installing a new catering kitchen with new appliances including oven, warming over, large capacity water heater, fridge and dishwasher
- Enlarging the hatch and fitting a new hatch cover

These changes were paid for by £40,000 from The National Lottery Community Fund. In addition, we have bought out of our own funds

100 new settings of crockery, cutlery and glasses for catered functions. We recently hosted the Harvest Supper, attended by over 70 people, where we were able to test out and get feedback on these improvements.

Over 91% of respondents rated the improvements as excellent or good. 96% said that they would be likely or very likely to recommend hiring the hall to others. Other comments from the users included 'very good community asset', 'excellent venue for the village' and 'thanks for all concerned for doing such a brilliant job'.

Phase 2 work consists of installing new storage heaters and LED lights which occurred in mid-October. We have also been granted planning permission to create a new entrance into the supper room, to avoid using the kitchen entrance. We also plan to replace the exterior doors with composite doors and have applied to the Hadfield Trust for funding in order to do this.

Other suggestions from the Harvest Supper included improvements to the stage facilities, redecoration of the supper room to match the hall and the introduction of remote cinema. We will discuss all

suggestions once phase 2 is complete.

Thank you very much to all our hirers for being so understanding whilst the work has been taking place.

Thank you also to all our tradespeople who have been involved with the refurbishment including Martin Redmond, Smart Decorators, Scott Blackman, Border Foods, Ali Potter, Dave Pickersgill and Jonathan Douthwaite.

If you would be interested in volunteering with Orton Market Hall please contact Helen Wearmouth helenwearmouth12@gmail.com

If you are interested in hiring the hall please do contact our bookings secretary by email on ortonmarkethall@outlook.com

Commemorative book for The Queen's Platinum Jubilee Celebrations

The marvellous celebrations that took place in Orton for the Queen's Platinum Jubilee are being recorded in a book of photographs.

There will be 50 portraits covering those that made the celebrations so successful as well as some of the visitors who enjoyed them. In addition there will be over 90 photographs covering the various events that took place over the 4 days.

The book will be in Hardback, 25cm x 20cm. The cost will depend on the numbers printed but will be in the order of £20 and sold at cost.

So that I can order sufficient books it would be very helpful if you could let me know if you would like to purchase a copy.

To do this please visit [my website](#) and look for 'Platinum Jubilee' in the main menu. Click on that and follow the instructions.

Tebay's Warm Welcome

Tebay is becoming part of a national initiative to provide warm, welcoming, space during the colder winter months. Once each month (on the first Sunday) Tebay Methodist Chapel will be open from 12.30pm until 4.30pm for folk to come and enjoy spending time together.

The 'Wild Wanderings' group, together with the two churches, is organising a community meal and then an activity afternoon on the following dates:

Sunday 6th November

Sunday 4th December

Sunday 8th January

Sunday 5th February

We want the space and the meal to be free, but to do that we need to come together as a community, with our supporters, to make that happen. So, if you can bring food — please do; if you can't, but could offer to wash up — do that; if you want to help clear up afterwards as your contribution — join in; if you want to give a financial gift to support this — get in touch with Pam Lawson (07552 405500) or Bernard Thornborrow (24272) — or you can just contribute what you want to, on the day.

If you can think of some other way to contribute — sharing a craft with the children (anyone want to teach crocheting) or bringing a pile of puzzles, or run a creche — please let us know.

Stay as long as you want (up to 4.30pm), or come early for a joint church service (starts at 10.30am!)

We want this to be done together, as a community, with and for each other, as part of a show of solidarity and support during these challenging times.

Dog fouling in Tebay — a plea for help!

Most dog owners are responsible and clean up after their pets, but a small number continue to cause problems. Dog fouling is a health risk to all people and can cause the infection 'Toxocariasis' which can lead to blindness. It can also transmit infections and diseases to other animals.

The Environmental Enforcement team at Eden District Council received a number of reports about dog fouling problems in Tebay at the beginning of August. It was apparent from these reports that the biggest issue was in Church Street and that a number of people thought they knew who it was that wasn't picking up after their dogs there. However, nobody actually witnessed anyone failing to pick up.

The Environmental Enforcement Officers (EEOs) are only two in number and are responsible for a wide range of environmental issues which take us all over the 900 square miles of Eden District so, although we paid several visits to Tebay during August, at different times of the day, we did not witness any offences and so were unable to take any action, other than putting up fresh signage in places and getting Church Street cleaned by our contractor. In reality, the chances of the EEOs seeing offences in the short time in which we visit, are very small.

This is a plea for help from the community of Church Street and Tebay: Please be vigilant and report anyone you see not picking up after their dog has fouled. If you are able to record an offence on your mobile phone or on CCTV and can identify the perpetrator, we might well be able to take enforcement action. This has already happened in Tebay on more than one occasion and we have issued Fixed Penalty Notices as a result. Any resident who does come forward to the Council can be reassured that your identity and details would remain strictly confidential.

Thank you.

Reporting dog fouling:

To be able to act on a dog fouling report we need:

- 1) Name and address of the dog owner.
- 2) Description of the dog(s) and what you saw (including the date and time).
- 3) Exact location of the incident.

[Report dog fouling online](#) to tell us of any issues you see.

Thomas Heatherwick — a Modern Leonardo?

Appleby Arts Society's October lecture dealt with another branch of the arts - architecture. Lecturer Ian Swankie introduced us to architect Thomas Heatherwick, polymath, and a gifted and imaginative designer – the late Terence Conran called him 'the Leonardo da Vinci of our times'.

After graduating from the RCA in 1994, Heatherwick founded Heatherwick Studio. His first public commission came when Mary Portas ('queen of shops') commissioned to make a window display for the 1997 London Fashion Week at the Harvey Nichols department store. Part sculpture, part window dressing, a plywood structure was suspended from the brick façade of the store by a network of steel cables, and supported a broad, golden ribbon weaving its way across the entire frontage. It stopped the traffic and won First Prize!

Heatherwick won the open competition in 2010 to design a new Routemaster bus for London. The layout of the new bus allowed it to be operated by one person but it proved to be more expensive to build and was threatened with being withdrawn from service. He is probably best known for the stunning 2012 Olympic cauldron, which consisted of 204 individual 'petals', and for the Paralympics 164, one for each competing nation.

Heatherwick Studio also had many commissions abroad, including Little Island Park, New York, shown in the picture. Designed as a haven for people and wildlife, it is a

green oasis, held above the water by sculptural planters, and located just a short walk across a gangplank from Manhattan's Lower West Side.

In 2010 they built the UK Pavilion for Shanghai World Expo and in Singapore in 2014, a library for Nanyang Technological University. The studio has been involved in building new headquarters for Google in California and Coal Drops Yard at the former Kings Cross Station site in London. The Google building in Coal Drops Yard is as long as The Shard is high and contains a swimming pool and running track, and, presumably, some work space. Heatherwick likens Coal Drops Yard, his fourth retail development, to "a new high street," designed around the human experience and how shoppers connect with buildings.

I feel I have not done justice by Thomas Heatherwick by being unable to show you more images of his work. In November it will be 'Italian Renaissance', for more information go to taswestmorland.org.uk

WhatsApp messages and emails received

From Rev. Nelson Walina, Vicar:

25th September: Dear Chris and Mary, Today I have baptized triplets from one of the Expectant Mothers, delivered two Months ago. There was a lot of happiness and joy in the 3rd Service.

But the emergency need I ask you to pray and support in feeding them to grow. The parents use the milk as directed by the doctor to supplement the breastfeeding costing 264,500/= (about £65) per month. Kindly find a charity friend who can help us as Church leadership so that we assist to sustain this blessing from God.

(Reply from us , 27th Sept: Two local couples have donated money to help this young mother feed her three babies. I have sent 615,191 Uganda Shillings by Western Union. May God bless this family, and all the others you minister to.)

Right: the proud and thankful mum.

From Nelson, 27th: This is a wonderful contributions from these two local couples. We appreciate you for your quick responses to us, especially during our emergencies and hard situations. We return our appreciations to God and to those couples that have stood with us immediately. You have given to us a bigger start since feeding them will be a continuous process. Rev Nelson and Melina Walina.

29th Sept: Today, there has been a lot of happiness and joy in the home of the triplets babies, when given a gift from our friends (the Two Couples) UK. I went with my wife Melina, a Layreader and two

chief wardens to meet the babies' mother. She felt very comfortable because of your assistance to the family.

9th October, from us: I have just received a donation to help the young man, Bollen Mugisa, (mentioned in the October issue of The Link), a gift from a lady who had read about him in our parish magazine. So 316,238 UGX is ready to be picked up.

10th October: This is a wonderful contributions and love to us. Bollen Mugisa and his mother who is a widow are going to see the love of God through the Church and her believers.

Our appreciation goes back to Lady A. whom the Holy Spirit of God has used to send the assistance to our Christian son Bollen Mugisa. Blessings upon her!

Notes from the Herald, November 1922

Cold, stormy, snow by 4th. The Tories won the General Election by 79 seats but Penrith elected its first Liberal M.P. since 1886.

Orton heard that the County Education Committee is considering merging Orton Parochial School with Orton Infant School. Storms cut the attendance at the St. Dunstan's Whist Drive in the Market Hall on 3rd November. (St. Dunstan's Charity helps war blinded soldiers). The Vicar chaired the concert for the Friends of Orton Football Club in the Temperance Hall on Friday evening, 17th. Supper and dance after. A lot attended and £40 was made (£3200 now).

Roundthwaite Its ford users still refuse to give any cash for the proposed bridge the R.D.C. heard. "Well, no bridge then" said R.D.C.

Tebay's Vicar preached at Bolton Harvest Service, Sunday, 29th October. Three more Tebay lads up for poaching salmon in the Lune at Tebay. One was fined, the other two acquitted for not enough evidence. Tebay Football Club boosted its income by over £10 (now £800) from its Whist Drive and Dance in the Institute on 12th. Over 130 danced to the music played by Miss Heslop. Death of a pillar of Tebay, Mr. Thomas E. Brown, lifelong of Tebay. He died on Tuesday 12th in the evening after a two months illness. He had had to retire from the railway. After an accident a few years ago he never fully recovered. He was 48. Tebay Flower Show misses him – his death and the weather has hit them hard.

Ravenstonedale had two weddings in the first week of the month, one in the Church and the other in the Congregational Chapel. Ravenstonedale's Band of Hope monthly meetings began this month for this winter. Died at Medicine Lodge, Kansas, U.S.A. recently, Ada Mary only daughter of Mr. Robert Mounsey, Newbiggin on Lune Post Office. She was 43 and died of typhoid fever. We continue to offer COVID vaccinations at the Practice. Please contact us if you are due your booster.

Staffing Updates

Dr Chris Kehoe left the Practice in the summer and is now working as a Locum GP and as a salaried GP at CHOC where some of you may meet her if you need to see a doctor out of hours. We welcomed Dr Hannah Judson at the Practice as a GP Partner in September. She has already become a highly valued member of the team. She came to us from Appleby Medical Practice and is a qualified GP trainer. We are hoping to start training GPs as well as medical students later this year. Our Practice Manager Sue Graham retired in March 2021 and Wendy Hancock has since taken the role of overseeing and developing the Practice. Wendy previously worked within the Clinical Governance and Safeguarding teams at CHOC and NWS. We are also very pleased to announce the return, and promotion, of Eleanor. Eleanor returned from her maternity leave in January and takes on the new role of Reception Manager.

All of the staff at the practice would like to say thanks to our local communities for the support and encouragement we have received through what continues to be a very difficult time for the health service. The kind words that we receive do make a difference to us and are very much appreciated.

Dr. McCabe Dr. Woodstover Dr. Judson and all the staff
